➤ DATA INSERT PAGE

- This page have three option Edit/Details/Account setting
- Edit Page: it used to insert data, after fill all data using save /update button data automatically save.
- Then again try to insert data ,first press add new button then only can add new date without using add new button new data not save ,only change given first details
- If we have to delete some data we want to select data using next or previous button then after press delete button ,automatically data will deleted.
- Details page only show given details using table

The screenshot shows a web application window titled "Menu" with a sidebar containing various icons. The main content area is titled "EDIT LECTURE HALL BOOKING" and has a timestamp of "08:26 PM 18/09/11". Below the title are three tabs: "EDIT", "DETAILS", and "ACCOUNT SETTING". The "EDIT" tab is active, displaying a form with the following fields: "BATCH:" (a dropdown menu), "DATE:" (a date picker showing "Tuesday , September 11, 2011"), "TIME:" (two dropdown menus separated by "To"), "LECTURER NAME:" (a text input field), "SUBJECT:" (a text input field), and "LECTURE HALL:" (a dropdown menu). At the bottom of the form are three buttons: "ADD NEW" (green), "SAVE / UPDATE" (green), and "DELETE" (green). There are also two small red arrows, one pointing left and one pointing right, located above the "SAVE / UPDATE" button.

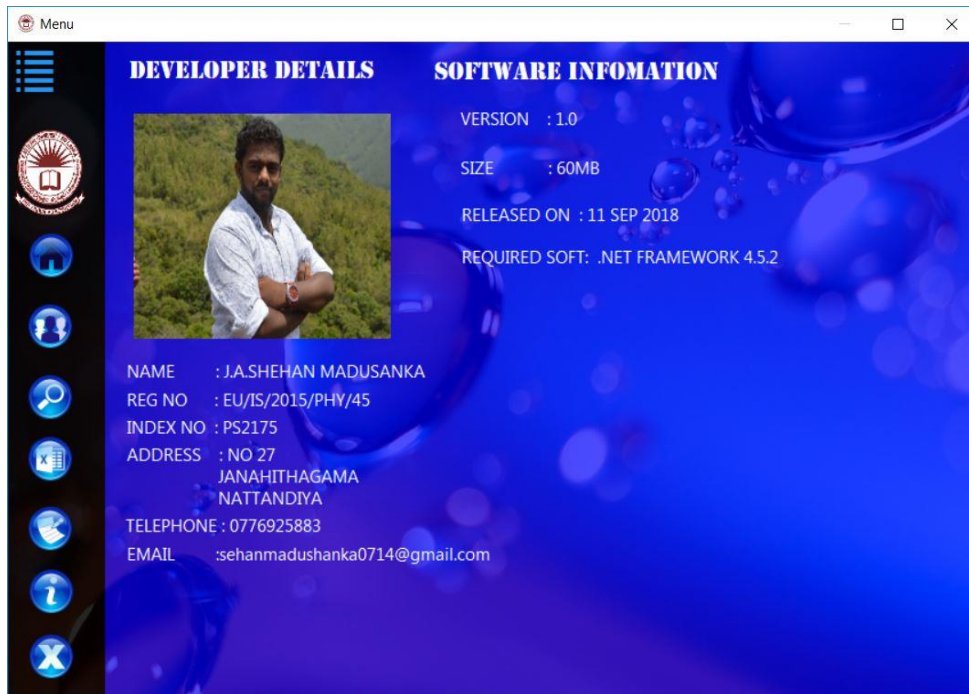

➤ ACCOUNT SETTING PAGE IN INSERT DATA PAGE

- If we want to add new account or change current user name and password or delete any given account, we can use this page.

The screenshot shows the same web application window, but with the "ACCOUNT SETTING" tab active. The main content area is titled "EDIT LECTURE HALL BOOKING" and has a timestamp of "08:26 PM 18/09/11". Below the title are three tabs: "EDIT", "DETAILS", and "ACCOUNT SETTING". The "ACCOUNT SETTING" tab is active, displaying two sections: "ADD NEW ACCOUNT" and "PASSWORD / USERNAME CHANGE". The "ADD NEW ACCOUNT" section has three input fields: "Enter the Current Account Password", "NEW USERNAME", and "NEW PASSWORD", followed by an "OK" button. The "PASSWORD / USERNAME CHANGE" section has four input fields: "Enter the Current Account Username", "Enter the Current Account Password", "NEW USERNAME", and "NEW PASSWORD", followed by a "RETYPE" input field and an "OK" button. At the bottom of the page is a "REMOVE ACCOUNT" section with two input fields: "USERNAME" and "PASSWORD", followed by a "DELETE" button.

➤ ABOUT PAGE

- This page only have details of this software and details about developer

Finally we can close this program using close button. This is a first version of this software. I will try to develop this software and make a best product.
